Campus Visit Schedule

The Committee on Equal Opportunities is charged with monitoring institutional progress toward implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement with the U.S. Department of Education Office for Civil Rights. The CEO typically conducts campus visits during the spring and fall semesters. Visits are typically coordinated with a regularly scheduled meeting. A schedule of suggested campus visits for fall 2007 will be presented by staff at the August CEO retreat.

The campus visit enables the CEO to observe and evaluate institutional activities through data analysis and discussions with administrators, executives, students, faculty, campus environment teams, and others in the campus community to learn firsthand about the success of equal opportunity plan implementation.

Campus visits for fall 2007 and spring 2008 should be discussed.
